

CALL FOR PAPERS

First International Conference on Complex Systems Design & Management (CSDM 2010)

CSDM 2010 is an European academic-industrial conference dedicated to all academic researchers and industrial actors working on complex industrial systems engineering. Its aim is to cover as completely as possible the field of complex systems sciences & practices.

Important dates

- Optional abstract pre-submission deadline: January 4, 2010
- Submission deadline: January 22, 2010
- Acceptance notice for industrial contributions: March 15, 2010
- Acceptance notice for academics contributions: March 31, 2010
- Final version submission deadline: May 31, 2010
- Conference: October 27-29, 2010

Submission formats

- Industrial submissions (good industrial practices, returns on experience & case studies): 12-pages PDF-formatted paper or 15-slides PowerPoint presentation.
- Scientific submissions (innovative methodological, technical and/or scientific results): 12-pages PDF-formatted paper.

Proceedings and publications

The conference proceedings will be published by Springer Verlag (Science and Engineering) in a 2-volume edited book. Selected papers will be published in special issues of international journals such as Concurrent Engineering Research and Applications.

Conference topics

- Industrial domains:
 - » Constructors & operators of transportation systems, defence & security, electronics & robotics, energy & environment, health & welfare services, media & communications, software & e-services
- Scientific and technical topics
 - » Systems fundamentals, systems architecture, systems engineering, industrial projects, systems metrics, systems quality, systemic tools
- Systems types
 - » Embedded systems, transportation systems, software systems, information systems, systems of systems, artificial eco-systems

Organizing committee

- O. Bournez (Ecole Polytechnique, France)
- O. Hammami (ENSTA, France)
- D. Krob (Ecole Polytechnique, France; general chair)
- L. Liberti (Ecole Polytechnique, France)
- S. Peyronnet (Université Paris-Sud 11, France)
- Y. Pollet (CNAM, France)

Programme committee

CO-CHAIRMEN:

M. Aiguier (Ecole Centrale, France)
F. Breteaud (EADS, France)

ACADEMIC MEMBERS:

M. Broy (TU Muenchen, Germany)
D. Chemouil (ONERA, France)
D. Dalcher (Middlesex Univ., UK)
O. de Weck (MIT, USA)
D. Dori (Technion, Israel)

W. Fabrycky (Virginia Tech, USA)
J. Fiadeiro (Univ. Leicester, UK)
E. Goubault (CEA, France)
I. Grossmann (CMU, USA)
K. Larsen (Aalborg Univ., Denmark)
J. Luftman (Stevens Univ., USA)
F.Y. Wang (Kelon Center, China)
T. Westerlund (Abo Univ., Finland)
J. Woodcock (York Univ., UK)

INDUSTRIAL MEMBERS:

Y. Caseau (Bouygues Telecom, France)
J. Clevenger (Silverglobe, USA)

C. Feliot (Alstom Transport, France)
H. Frischkorn (GES, Germany)
R. Haggenueller (Artemisia, Germany)
A. Hall (Anthony Hall Ltd, UK)
C. Haskins (INCOSE, Norway)
M. Hause (Artisan Software, UK)
B. Henning (Airbus, Germany)
J. Lee (IBM, USA)
D. Luzeaux (DGA, France)
M. Morvan (Veolia Environnement, France)
H. Sillitto (Thales, UK)
D. Walden (Sysnovation, USA)
